

Pathway Community Church Hands and Feet Camp Community Summary 2025

Since 2006 Pathway Community Church in Mancelona has partnered with the community and provided an opportunity for teens/families to deepen their understanding of community and helping each other. Communities thrive when we all pitch in together and work toward a common goal. Throughout the year, Pathway members and various church partners band together and engage in work projects in our community. This Summer we are excited to be joining forces with several families from Hilltop Community Church, in Mansfield, Ohio. These partnerships are born out of a love for God which is reflected in the way we love each other! To make this happen we need your help.

How You Can Help!

We are looking for Mancelona homeowners that can provide us with work projects for our teams to complete. Perhaps you have projects that, for either lack of time or resources, you have not been able to complete. The types of projects we are looking for include yard work, painting, general home repairs, wheelchair ramps, winterization, safety improvements, etc. As a thank-you for providing us with a project, Pathway and community partners will work to provide as much of the building materials as possible. Please keep in mind that if there are too many applications we may not be able to complete all the projects at this time. If you are able to provide us with a project please complete the "Home Participation Request" and either mail it to or drop it off at the church. You can also submit a request on our website, Pathwaychurch.today. Click on the "Ministry" tab and then on the "Hands and Feet" tab. Completed requests will be processed and you will be notified if we have the people and resources to complete your request. We thank you in advance for helping us use our "Hands and Feet" to strengthen our community!

Pathway Community Church Hands and Feet Camp Home Participation Request

Thank you for taking the time to participate in our Hands and Feet program. Please keep in mind that submitting a request does not guarantee that we will have enough workers to complete your project but we will do our best to help.

Once we receive your request you will be contacted by someone from the church to schedule a project review at your home. Once we review the request, we will let you know if we will be able to partner with you in your project.
